

This is

**SMART
MIXING.**

Novid®
BUILT TO **ENDURE.**

**DIFFUSER AERATION
SYSTEM (DAS)**

“

Not only have we **CUT DOWN ON MIXING TIME** and **INCREASED SAFETY** for our staff, we have used the innovative setup as an easy way to inject nitrogen stabilizers while mixing at the same time.

- **Alex Wahl** | *GJ Chemical*

”

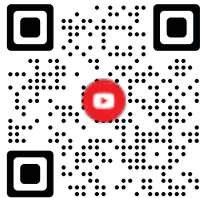

Mix Your Tank SAFELY in Under 24 hrs.

Don't assume adequate mixing without sample testing.
Consult your local fertilizer dealer.

The DAS Advantage

- ✓ Floor plates evenly distribute air throughout tank
- ✓ Low up-front and no ongoing costs
- ✓ Factory-installed or retrofit option
- ✓ Control box regulates pressure & pulse frequency
- ✓ Virtually eliminates environmental risk
- ✓ Available for flat and cone-bottom tanks
